

SYB

See you beyond.

MASKED DJ · LIVE 24/7 · @SYBTHENIGHT

BIO

See you beyond. SYB is a DJ with no name and no face who plays house music without a break: deep, tech, melodic, disco and Latin, every blend in key and locked to the beat, every drop on the beat. Three long-form sets are out on YouTube, Disco Nights (3h10m), Eclipse Temple (4h54m) and Night Jungle Ritual (5h26m), and SYB plays live around the clock on YouTube. The story goes that every mirror tile on the helmet was cut from the mirror ball of a dance floor that no longer exists. The rule is that the music is the face.
